Cultivar scionwood of pecan, hickory and black walnut species will be available to all interested nut growers. Each stick will be approximately 6-8" long and approximately 1/2" (3/8 to 5/8") in diameter with at least 3 primary buds. You can order by mailing this form with your check or money order. (See below for our address.)

The walnut and pecan scionwood cost is \$1.50 per stick. Shagbark Hickory, Shellbark Hickory, and Hican scions are \$2.00 each. Mixed seed is being offered for Walnut, Pecan, Sagebark & Shellbark hickory at 20 cents each. There will be a \$10.00 charge per order for postage and handling. Orders greater than 8 pieces of scionwood will be shipped in a larger box. We will let you know if any extra charges upon receiving your order. There is a minimum order of \$6.00 per order along with a \$10.00 for postage and handling. Orders will be processed on the first-come-first-served basis while supplies last until March 15, 2016.

Below is a list of available cultivars. Indicate the # of scionwood pieces seeds you would like to purchase. This does not represent a list of cultivars suggested for planting by the NNGA, NeNGA, Northern Pecan Research or the Nebraska Cooperative Extension. We have additional cultivars that are not listed, so please let us know via mail or by email from our website.
